❖ Adding Examination Permissions Section

- ✓ Allow Request for edit Mark Exams
- ✓ Add Mark
- ✓ Edit Mark
- ✓ View Mark
- ✓ View Mark Details

❖ Academic Settings >> subjects >> Add

Add another field "Check Box" with the name (In Major Sheet) (يدخل في حساب النتيجة).

If the value is true then the subject is required in the major sheet and the degree of this subject **should** be added. And if student fails in this subject the total result of the student is Fail.

Otherwise, if the Value is false then the subject Degrees is not required (Optional), and if student fails in this subject the total result of the student is not Fail as what happens in the "In Major Sheet" Subjects.

❖ Manage Exams >> Exams Details:

- ✓ After determines the Session period (Start Date, End Date), and in the Exam details (Exam Date, End Time) should be in that specific period. (Not larger or under).
- ✓ The End Time Should be Greater than Start Time.
- ✓ No More than one exam should be in the same time (Date and Time).
- ✓ The Passing Mark should not be greater than the Total Mark.
- ✓ Both Passing Mark and Total Marks should not be Negative Value.

❖ Major Sheets

✓ The results should arrange in order of the Degrees not the ID.

✓ There should be a Filter Button on the top for selecting the Filter field.

✓ The Calculation of the result should be integrated with the "Grades" Specified on Settings>> Academic Setting>> Grades,

#	Grade Name	↓ Percent From	Percent Upto
1	Exelant	90.00	100.00
2	Very Good	89.00	80.00
3	Good	79.00	70.00
4	Pass	59.00	50.00
5	Fail	49.00	0.00

So the System should automatically figures the Conduct Value according to student degree.

✓ The System Only Determines the first 3 Positions (1st, 2nd, 3rd), where it should be for the whole class.

✓ In the Result Form, the print button is not clear, Print
