Examination
24/12/2018

Functional Errors:

- ✓ In Major Sheets, In Case the total mark (result) of the student is less than the 50%, student is fail.

- ✓ In Manage Exams>> Exams Session, The Period of the Examination Should be in the Same Period of Academic Year. For Example: if the Academic Year is starting on 1-Jan-2018 and ending on 31-Jul-2018, the examination should be among Jan and Jul 2018, but it can't be on Dec for instance.

- ✓ Obtained Marks On Mark Exams SHOULD BE DISABLED when the time of the examination is not pass yet.

- ✓ When click on "Request for Edit" in Marks Exams, the requester should clarify the reason for the request.

- ✓ When "Request for Edit" or when the Request is Approved there should be a notification, when click on the notification it should drive to the notification position.

- ✓ Application >> We should add Subject and Exams Session Field in this table.

Serial No.	Request From	Type	Status	Request Date	Response Date	Class	Section	Action
